## Serie II : Bazar Collection

In 1855, the fashion magazine Der Bazar started in Germany. Soon many countries followed with an edition, sometimes under a different name.  
The magazine was published in Russia, Czechoslovakia, the Netherlands (Gracieuse), France (La Mode Illustree), and Spain (la Moda Elegante).  
All these now have been digitized and are available online at the sites of various libraries.  
Besides fashion there was a fair share of needlework in the magazine. The many symbol charts for cross stitch are now in this collection.  
At the time, there were no coloured examples of what the patterns would look like. In this publication all the patterns are coloured using the directions that accompagnied the original ones. Also added are some filet charts, darned netting then, that can be used for filet crochet.  
  
Enjoy stitching these patterns, or just looking at them!
